

Missing Pet Partnership MEMBERSHIP FORM

When you join Missing Pet Partnership, you will support our efforts to develop lost pet services in all communities. Our members are encouraged to **help recover lost pets** by referring animal guardians to our Web site when they see a lost pet flyer in their community. Our members network with fellow lost pet rescuers through our national Lost Pet Recovery e-group discussion list where they receive tips and advice in how to search for and recover lost pets in their communities. MPP members are welcome to come to Seattle on a "working vacation" where they can help train MPP search dogs and respond as volunteers on missing pet searches, ultimately helping MPP to solve lost pet investigations. In addition, MPP will remember or honor a member's loved one (human or animal) in our quarterly *SCENT DETECTIVES* newsletter.
