

Missing Pet Partnership MEMBERSHIP FORM

When you join Missing Pet Partnership, you will support our efforts to develop lost pet services in all communities. Our members are encouraged to **help recover lost pets** by referring animal guardians to our Web site when they see a lost pet flyer in their community. Our members network with fellow lost pet rescuers through our national Pet Detective Network e-group discussion list where they receive tips and advice in how to search for and recover lost pets in their communities. MPP members are able to place a lost pet that was never found onto our website "Wall of Hope" as a memorial. Members are encouraged to tell pet owners in their own community about our website, often facilitating a recovery. In addition, MPP will remember or honor a member's loved one (human or animal) in our *SCENT DETECTIVES* newsletter.
